DEFEATS JEANNE D'ARC AND IS OAKLAND'S ONLY WINNING FAVORITE.

President Williams Will Sell His Horses, but Expects and Will Labor for the

Restoration of Racing.

San Francisco, Cal.. April 1.—President Thomas H. Williams confirmed the report of an early sale of his race horses in training at Oakland today. This does not mean training at Oakland today. This does not mean to the property of the party of the party of the party of the party of the concreted in this state. Demands of private business interests have prevented my seeing my horses race. For instance, Big Chief, which I have seen run only on one occasion, in the Burns Handicap.

"You may say that I firmly believe that racing will survive in this country and that I will spare no expense to rehabilitate it in this state. Later on I will acquire another and larger stable of racers." The announcement of the temporary withdrawal from racing of the man who has been the mainstay of the thoroughbred sport on the Pacific coast for nearly twenty years, created profound surprise, the action was so utterly uncharacteristic dismanaged, at it is said that is a summary of the thoroughbred sport on the Pacific coast for maintenance for the past two years has exceeded the enormous sum of \$200.000.

Outsiders monopolized the honors today. The only winning favorite was Royal Tourist and he in the last race. Despite an enticing preliminary his odds receded steadily in the betting. It was rumored that owner Ellison backed him heavily away from fietrack. He won like a 1 to 10 chance.

Jockey Sandy was fined \$50 by the stewards for rough riding on Bucolic in the third race. Big Bow, last year of the presented to Colonel D. M. Burns for slock purposes and Prefuicio, a record breaker, to former Governor Hurr To Stakes, will Marchvulla will represent Mr. Williams in many races. The remaining twenty-seven horses, including Firestone, will be sold at auction within the next two weeks.

An off day's card developed uneventful though interesting racing at the track this afternoon. Missammer weather prevailed. The conditions for racing were ideal and an immense crowd turned out to witness the sport.

YOUTHFUL SCORES A RUNAWAY VICTORY.

Jacksonville, Fla., April 1.—Youthful, coupled with Pearl Point as the Dunlop entry, won the Smith, Richardson and Conroy Handicap, one of the big features of the meeting at Moncrelashed into a commanding tead stages and won in a canter. Description of the shower weather a large crowd turned out, which shows that Jacksonville race-goers are rapidly becoming enthusiastic regulars. M. Michaels, the New York turfman, furnished the winners in the first two races in Eustacian and Font, Michaels changed trainers yesterday. He took the horses from Jack Baker and arranged with P. S. Smith to handle them, Smith ran Select III. in the same race with Font and this, being brought to the notice of the officials, they ordered that the pair be coupled. Betting, however, had been going on for five minutes, which led to twenty additional minutes being allowed for a new book.

Two favorites and two well-backed second choices won, the successful favorites being Jndge Saufley and Font. The latter ran a sensational race, coming from last place and, after closing a gap of about twenty lengths, got up in the stretch and won easily from Miss Topsy.

In the third race Spunky stumbled and fell before the proper succession of the successful favorites and trong, and was taken to a local hospital.

In the first race lockey object, who had the mount on She Wolf, was unseated just as the start came, but he first race jockey object, who had the mount on She Wolf, was unseated just as the start came, but he suffered no injury by the mishap, as he came back and won the third race with Malvina.

Jockey J. Reid, Hugh Penny's Hitle lightweight, rode the first two winners.

M. Burton, owner of Alice, met with an accident this morning. While he was standing out on the track watching his filly work, Odd Ella ran into him with sufficient force to knock him down. The hoars struck Burton on the left side just below the heart, and he was unconscious for some little time after the mishap. Fortunately, no bones were broken and he will be up and about again

DENVER TO HAVE THIRTY DAYS' RACING.

John Condon Announces a Meeting for Colorado City to Begin June 19.

STUBBORNLY CONTESTED RACE AT BOMBAY

"The race for the Gaye Cup at Bombay, India, last month, had a most remarkable result. This was a handicap for ponies 14.2 and under, six furlongs, with 2,000 rupees to the winner. Two horses ran a dead heat for first place. They were Mr. Galstam's English pony, Wild Boy, 122 pounds, and the Waler, Russicy Rose, 118 pounds, owned by a parsec. A length behind two horses ran another dead heat for third place, these being the well-known Waler pony, Lady Ayon, 139 pounds, and Mr. Allardice's Lorraine, 129 pounds.

"There were also two dead heats on the fourth day of the meeting. The first was in the Imperial Plate, also a pony race, Rickaby on Refresher, and the American jockey, Ames, on Gun Metal, finishing together."

" SALT LAKE" GLEASON AND HIS PLANS.

W. H. Gleason, who, in connection with W. W. Finn, of St. Louis, is to operate the Salt Lake City meeting for the forty days, opening May 22, is in not included the subject of the track. Gleason is not a new man to racing. He is a Chicagoan and has owned horses and made book in the past. He came back to racing while on a visit to El Paso during the meeting there. There, out of some jangles and money scarcity, came an invitation to Gleason to participate in the management of the meeting there. He carried it through and made some profit. JOCKEY PARFREMENT TOUGH AND BUSY.

Parfrement, the French steeplechase rider, who scored with Lutteur III, in the Grand National, is a son of one of the French veteran trainers of the French turf and a tough customer in a physical way. The day before riding Lutteur III. to victory in the Champion Stakes at Hurst Park, he won twice and was knocked out by a kick at St. Ouen, near Paris, and the day after he was on two winners and a second at Auteuil. After that he rode steadily and well in France until two days before the Grand National race at Aintree.

In reply to a telegraphic request as to the condition of the Santa Anita track when the fifth race of Monday, March 29, was run, Judge A. W. Hamilton answered Daily Racing Form as follows: "There was a slight drizzling rain. The track was soft on top; good bottom."
